# THE BIG 3

We will be launching new Professional Sports Leagues with worldwide Franchises opportunities including all team sports and individual sports.

These sports will be promoted at the local level and broadcast internationally through television networks, pay-per-view and private networks.

We are offering your community the chance to adopt a Franchise so it becomes a personal interest and the community gets involved promoting their team and generating unlimited taxable income for your city!

Whenever we have an event it will be globally broadcasted.

Our events are universal and mobile so we are able to place them in most any place at most any size from this deck of a cruise ship to the world's largest facilities.

We could fill the seats of all your stadiums, theme parks, cruise ships, and casinos from city to county facilities. We will maximize taxable resources/can stagger the usages of the stadiums.

We can also can design and build you a state-of-the-art new facility.

We have a saying-if you can't find an event to book, just create one!

This is the bottom line- our underwriting event sponsors will receive a larger amount of advertising. Our goal is to make all of these annual events so we may challenge ourselves to increase the event size and taxable returns each year.

Our economic impact with each annual event will generate new taxable income and create greater levels of tourism!

New markets, new taxable revenues and more tourism by making our events affordable increase your bottom line- more money!
